

## **OFFICIAL ID OF SHEEP AND GOATS IN OKLAHOMA**

As of September 2019, we can now provide, for free, up to 100 plastic tags to owners for new flock ID's. However, the Applicators must be purchased separately. APHIS discontinued the availability of no-cost metal tags for producers on 8/31/19. Plastic Shearwell tags require the V6 Sheep SET Tag Applicator. Order the Applicator by calling 1-800-778-6014 or by completing this order form: [Shearwell Data Ltd Sheep Tag Applicator Order Form](#).

### ***Metal tag applicators***

The 505S applicator for the official metal tags can be purchased directly from the National Band and Tag Company.

Other applicators should not be used since it is unlikely that another tag applicator or pliers will correctly close the tag, resulting in increased risk of ear injury/infection and decreased tag retention.
