

**Oklahoma Forest Heritage Center
Fred Dierks Educational Scholarship Application
For College Forestry Students**

The Oklahoma Forest Heritage Center was established in 1976 for the purpose of supporting and promoting Oklahoma's forestry community. The Forest Heritage Center's goal is to provide quality educational opportunities and experiences in the benefits of sound forest practice with respect to the production of forest products, wildlife enhancement, recreational enhancement, and the environmental benefits of the forest. The Forest Heritage Center provides quality learning experiences in these areas through and in collaboration with trusted members Oklahoma's forestry community and its stakeholders.

In a continuing effort to support the professional development of future foresters for Oklahoma, the Forest Heritage Center sponsors an annual \$1500 scholarship to a college undergraduate student. The scholarship is available to all students currently enrolled as a second semester freshmen or higher grade level. The student must be enrolled in a forestry program in one of Oklahoma's institutions for higher education and maintaining at least a 3.0 grade point on a 4.0 scale.
