

Farmer's Market Price Report OSU-OKC

**June
2020**

Market Comments:

This is the first report of the season as markets just opened early June. Vendor numbers were limited but demand was good and several consumers out and about. Not all items sold are listed. A few vendors had items that were pre-packaged and those items are not listed. The next report will be out in late July.

Farmer's Market Price Report OSU-OKC

July

2020

Market Comments:

Farmers markets remain very busy despite the heat. Some rain has fallen on a few producers, but others talked of dry conditions along with grasshoppers damaging their crops. Much of the spring and early summer items are on the decline and producers already talking of fall gardens.
